

# Suziquatro, She's In Love With You

(Chapman/Chinn)

She's in love with you, that's all she wants to do  
She'll never let you down, she'll never fool around  
'Cos she's in love with you

So if you see her all alone one night walk up to her discreetly, ask her why  
And if she replies with words that don't make sense it may be just because she's shy  
Don't take advantage of her lack of understanding just because you think you could  
Treat her right, treat her good, take her home and make her feel the way she should

'Cos she's in love with you, that's all she wants to do  
She'll never let you down, she'll never fool around  
'Cos she's in love with you  
She's in love with you, that's all she wants to do  
She'll never let you go, she may not let you know, but she's in love with you

So if you happen to be out one night and someone asks you where you're gonna go  
Just remember she's not like the other girls she may not want them all to know  
Though she may need a little time she never wants to stand in line the way they would  
So treat her nice, treat her good, treat her like you know you should  
You may never find another girl like her

'Cos she's in love with you, that's all she wants to do  
She'll never let you down, she'll never fool around  
'Cos she's in love with you  
She's in love with you, that's all she wants to do  
She'll never let you go, she may not let you know, but she's in love with you

So take her home and hold her close, touch her where she feels it most, but be true  
And when she's making love to you, she'll do what you want her to  
Treat her good, treat her like you know you should  
You may never find another girl like her

'Cos she's in love with you, that's all she wants to do  
She'll never let you down, she'll never fool around  
'Cos she's in love with you  
She's in love with you, that's all she wants to do  
She'll never let you go, she may not let you know, but she's in love with you  
She's in love with you, that's all she wants to do  
She'll never let you go, she may not let you know, but she's in love with you  
'Cos she's in love with you, that's all she wants to do  
She'll never let you down, she'll never fool around  
'Cos she's in love with you
