

# Suzy Bogguss, Angel

I just want to tell you all the things you are  
And all the things you mean to me  
You've been with me forever  
Through the changes in my life  
Through all the tears and laughter

When I find myself believing there's no place to go  
When I feel the loneliness inside my heart

You're the answer to my prayers  
And you're with me everywhere  
You're my angel, miracle, you're all I need tonight  
Give me shelter from the rain  
You breathe life in me again  
You're my angel, miracle, you're all I need to know, tonight  
Life is just a moment  
We're blowing in the wind  
We're trying to find a friend  
And only time can tell us  
If win or if we lose  
And who will stand beside us  
When there's darkness all around me

You're the light I see  
When I need someone to ease my troubled mind

You're the answer to my prayers  
And you're with me everywhere  
You're my angel, miracle, you're all I need tonight  
Give me shelter from the rain  
You breathe life in me again  
You're my angel, miracle, you're all I need to know, tonight

You're all I need tonight  
All I need tonight  
All I need tonight  
You're my angel

You're the answer to my prayers  
And you're with me everywhere  
You're my angel, miracle, you're all I need tonight  
Give me shelter from the rain  
You breathe life in me again  
You're my angel, my miracle, you're all I need to know, tonight
