

# Suzy Bogguss, Far And Away

Do you ever wonder what happened to us  
Prob'ly you don't think about it too much  
If I could hold you I know what I'd say  
But I don't even know where you are  
Just that you're so far away

Far and away you were the love of my life  
No one comes close, I don't have to think twice  
Nobody else hurt me that much, when they went away  
You couldn't stay, I tried to hold on  
Until the day you left me alone  
Still I'd have to say you were the best love  
I've known far and away.

I'm not the kind to live in the past  
I can't go back and the days go so fast  
I try to be strong and live for today  
And it will be brighter tomorrow  
But right now it's so far away

Far and away you were the love of my life  
No one comes close, I don't have to think twice  
Nobody else hurt me that much, when they went away  
You couldn't stay, I tried to hold on  
Until the day you left me alone  
Still I'd have to say you were the best love  
I've known far and away.

Still, I'd have to say you were the best love  
I've known far and away...
