

# Suzy Bogguss, I Still Miss Someone

Suzy Bogguss & Chet Atkins

Out my door the leaves are falling  
A cold wild wind will come  
Sweethearts walk by together  
And I still miss someone.

I go out to a party  
To look for a little fun  
But I find a darkened corner  
'Cause I still miss someone.

Though I never got over those blue eyes  
I see them everywhere  
I miss those arms that held me  
When all the love was there.

--- Chet Atkins Instrumental ---

I wonder if he's sorry  
For leaving what we had begun  
There's someone for me somewhere  
And I still miss someone.

Though I never got over those blue eyes  
I see them everywhere  
I miss those arms that held me  
When all the love was there.

And I wonder if he's sorry  
For leaving what we had begun  
There's someone for me somewhere  
And I still miss someone...
