

Suzy Bogguss, I Still Miss Someone

Suzy Bogguss & Chet Atkins

Out my door the leaves are falling
A cold wild wind will come
Sweethearts walk by together
And I still miss someone.

I go out to a party
To look for a little fun
But I find a darkened corner
'Cause I still miss someone.

Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there.

--- Chet Atkins Instrumental ---

I wonder if he's sorry
For leaving what we had begun
There's someone for me somewhere
And I still miss someone.

Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there.

And I wonder if he's sorry
For leaving what we had begun
There's someone for me somewhere
And I still miss someone...
