

Swan Princess, You Gotta Love It

You may not like my newfound power
But I think it's totally hot
And you may hate the way I use it
But am I concerned? I'm not!
The power to create is mine
And the power to change - oh joy!
The power to rearrange your life
And the power to destroy!
Now I give the orders and you're gonna take 'em
Things gonna be the way that I make 'em
I'll be the one who gets every break
You gotta love it
You gotta love it
Everyday's gonna be a vacation
Now I'm the king of gratification
I'll do whatever I want everyday
You gotta love it
You gotta love it
I'll take aim at any target
I'll stake claim to every wealth
And I think I'll fill the cup of power
And drink it to my health
Yeah, I wanna wish up every human
Everything anyone could consume
Ten thousands of lifetimes all in one room
You gotta love it
You gotta love it
You gotta love this power of mine
I'll take aim at any target
I'll stake claim to every wealth
And I think I'll fill the cup of power
And drink it to my health
I wanna wish up every human
Everything anyone could consume
Ten thousands of lifetimes all in one room
You gotta love it
Yeah!
You gotta love it
Woah!
You gotta love this power of mine!
Now! Rock 'n roll!
