

# Swans, Like A Drug (Sha La La La)

Out of our head  
Out of our mind  
Into your hands  
Into your eye  
Warm in your mouth  
Warm in your mind  
Warm in your belly  
Just like a drug  
Sha la la la  
Cool on your tongue  
Soft in your hands  
Down on the floor  
Red in your mind  
Out of our head  
Out of our mind  
Into your head  
Just like a drug  
Sha la la  
Sha la la la  
Hard in your hands  
Hard in your mind  
Hard in your belly  
Hard in your face  
Down on the floor  
Hard in your mind  
Into your head  
Just like a drug  
Sha la la la
