

Sweeney Todd, If Wishes Were Horses

You can do all the things that you've longed to
And you won't have to wonder who you are
You can be anybody you want to
In a land full of promises and kings
All your best laid dreams are for catchin'
You can have the world to tie up on a string
Just close your eyes and imagine

If wishes were horses
Beggars would ride
All dreams and desires would ride along side
Worries and troubles would fall off behind
If wishes were horses, beggars would ride

There's an all new-round everyday glow
Like the young girl sang in the song
"Somewhere over the rainbow"
