

Sweet, Alexander Graham Bell

A candle flickers in a window
Two thousand miles away she was there
There's a young man thinking by a window
How was she to know just how much he cared
He always knew just what he could do
He always knew that his dream would come true.

Alexander Graham Bell well he knew darned well
He could find the only way to talk across the U.S.A.
Telephone telephone never be on your own
Many many years ago he started something with his first "Hello"
'Hello"
Alexander Graham Bell
Alexander Graham Bell
Alexander Graham Alexander Graham
Alexander Graham Bell

The sun rises early in the morning
Millions of people still unaware
Something he discovered without warning
So he could show a girl just how much he cared.

He always knew just what he could do
He always knew that his dream would come true.

Alexander Graham Bell well he knew darned well
He could find the only way to talk across the U.S.A.
Telephone telephone never be on your own
Many many years ago he started something with his first "Hello"
'Hello"
Alexander Graham Bell
Alexander Graham Bell
Alexander Graham Alexander Graham
Alexander Graham Bell
