

# Sweet, Hot Shot Gambler

I've been much too long in this old casino  
Run out of money and luck  
I gotta find a way to that lucky number  
Hey buddy can you give me a bop  
A fortune lost when the dice was tosed  
Spinning the wheel was my friend  
I though i knew when the bridge was crossed  
Forget about tomorrow live for today  
I'm a hot shot gamb'ling man  
Playing my game the only way i can  
I'm a hot shot gamb'ling man  
Comming on home to you  
Yeah i'm a hot shot lover  
Comming on home to you yeah  
I hope you understand the way i change my plan  
How i'm falling for a lady like you  
I got three off a kind and i won the price  
And the odds thats will be you  
You brought me round when the chips was down  
You made me is aparts my friend  
Now i know i've never be on my own  
I'll live for tomorrow you shiftet the tone  
I'm a hot shot gamb'ling man  
Playing my game the only way i can
