

Sweet Sensation, Sincerely Yours

Dear I write you this letter
To show you how much your love means to me
I wish we could be together
I need you in my life oh can't you see
You promised we would be together
But you still haven't answered my letter

Oh, oh, I'm sincerely yours
The one my heart beats for, the one I adore
Oh, oh, I'm sincerely yours
The love that you gave I've never felt before

Dear as I write you this letter
The pain in my heart boy has run so deep
I fear we won't be together
Without you my life feels so incomplete
You said our love will last forever
But you still haven't answered my letters

Oh, oh, I'm sincerely yours
The love that you gave I've never felt before
Oh, oh, I'm sincerely yours
The one my heart beats for, the one I adore

My precious love I just can't believe
The letters I send you don't receive
You don't know how hard I try
Throw my pride aside and I can't deny
Cause every night I write without fail
And your --- missed my mail
But if ever this letter should reach your door
You'll find it signed sincerely yours

Now I know we'll be together, together baby
Cause you just answered my letter
