

Sweetbox, God On Video

Verse 1:

I believe in the human spirit
And I believe that all our Gods can hear us
I believe we all are good
And we'd be better if we could

Chorus:

God on video
Wisdom in a show
In order to believe
We need to see it on TV or video
Wisdom in a show
In order to believe
We need to see it on TV or video

Verse 2:

Yeah I believe in a mothers strength
And I believe that fathers shouldn't leave
And I think we all should listen more
And that love is the only door

Repeat chorus

Verse 3:

Every mind needs a dream
Like every song needs a theme
Cause life's a fight (life's a fight)
But we weren't born to cry (born to cry)
We were born to try (born to try and try and try)
And try and try and try

God on video, wisdom in a show, in order to believe
Do you need to see it on TV

Repeat chorus

Oh... nah nah nah nah nah nah...
God on God on (God on video)
Oh wisdom in a show
In order to believe (to believe)
We need to see it on TV or video
