

# Sweetbox, How does it feel

Remember me, that  
silly girl  
Gave all I had just to be in your world  
Now look at me, I'm not the same  
Don't look so mad 'cause a lot has changed,  
yeah - So you called 'cause you miss me  
You want me back and you say you're lonely  
Get over it, you're such a fool  
My life is good and I ain't thinkin' 'bout you  
Ooh, how you gonna think I'm gonna sit  
around and wait for you  
Ooh, find another girl to play  
How does it feel  
When you're the stupid one  
And all your games are done  
I really wanna know  
How does it feel  
To see me pass you by all hugged up  
with some guy  
I really wanna know  
How does it feel  
Now look at you who's cryin' now  
Well, did you think that I'd never catch on  
To you lies your lack of shame  
You'd hold me tight then forget my name,  
yaeh - Well, now I'm back I'm feelin' good  
Just runnin' game that I learned from you  
You really think I'd take you back  
My life is good and I ain't thinkin' 'bout you  
Ooh, how you gonna think I'm gonna sit...  
How does it feel...  
How does it feel  
I really wanna know  
Yeah, how does it feel  
To see me over you I wanna know  
How does it feel  
How does it feel  
How does it feel...
