

Sweetbox, I Don't Wanna Be

Lalalalalala
Lalalalalala

[Rap Verse 1]

[Jade's Chorus]

And I know that no one ever wants to be
No one ever wants to be left behind
Standing there wondering why
Trying hard not to cry
At the back of the line
No I don't wanna be

Lalalalalalalala
I don't wanna be
Lalalalalalalala
I Don't know
Lalalalalalala
Yeah.Yeah!!
Lalalalalala

Why's it gotta be
I guess it's always gonna be
I keep telling myself
Telling myself

Why's it gotta be
I guess it's always gonna be
So hard

Why's it gotta be
I guess it's always gonna gonna be
So tough
So tough
Why's it gotta be, guess it's always
Gonna gonna be so hard

I Know wanna

Lalalalalalalala
I don't wanna be
Lalalalalalalala
I Don't know
Lalalalalalala
Yeah.Yeah!!
Lalalalalala

Sweetie's, Sweetie's

Can Your Mind
Than You Understand me

.....
I know that
