

# Sweetbox, Ladies Night

Good morning class!  
Here are ten simple ways  
to get rid of a lazy boyfriend

Leave him  
Like he leaves the dishes  
Stain him  
Like he stains his shirts  
Ignore him  
like he ignores the lawn  
Make him watch you while you flirt  
Kick him, bite him, slap him, hit him  
Tie him up, put him in the trunk  
Drug him, bug him, slug him, mug him  
Wash your hands throw him out with the junk

(Chorus)  
Runaway  
Runaway  
Runaway now

put your lipstick on  
It's ladies night  
Kick your manolo blaniks high  
It's ladies night

Mind you he will cry and he will beg  
Say all the things he never said  
But he will never feel much smaller  
Till he sees you with someone taller  
So watch your diet, read those books!  
And don't give him a second look!  
And when you're sad go out with the girls  
And know tonight you don't have to cook

(Chorus)
