

# Sweethearts Of The Rodeo, I Feel Fine

Baby's good to me you know he's happy as can be  
You know he said so I'm in love with him and I feel fine  
Baby says he's mine you know he tells me all the time  
You know he said so I'm in love with him and I feel fine  
I'm so glad I'm his little girl he's so glad he's telling all the world  
That my baby buys me things you know he buys me diamond rings  
You know he said so I'm in love with him and I feel fine
