Swing Out Sisters, Blue Mood

Blue moods taken hold of you

Blue mood coming your way

Blue mood will take control of you

Blue mood blue's take you away

Take a look at yourself

Take a look at yourself

Think it over

It won't be long now

Wait for that mellow feeling's gone

Think it over

Take it over

Think it over

It won't be long

Blue mood's taken hold of you

Blue mood coming your way

Blue mood take control of you

Blue mood blue's take you away

Take a look at yourself

Take a look at yourself

Won't be long now

Feeling strong now

Nothing but blue skies

Open your heart

Make a new start

Open your heart

Make a new start

Open up your heart

Think it over

It won't be long now

Before that mellow feeling's gone

Think it over

Take it over

Think it over

Take it over

It won't be long

Think it over

It won't be long now

Before that mellow feeling's gone

Think it over

Take it over

Think it over

Take it over

It won't be long

Won't be long now

Feeling strong now

Nothing but blue skies

Open your heart

Make a new start

Open your heart

Make a new start

Open up your eyes

Think it over

It won't be long now

Before that mellow feeling's gone

Think it over

Take it over

Think it over

Take it over

It won't be long
