

# Switchfoot, Golden

(Like freedom in spring)

She's alone tonight with a bitter cup and  
She's undone tonight, she's all used up  
She's been staring down the demons  
Who've been screaming  
She's just another so and so,  
Another so and so

You are golden  
You are golden child  
You are golden  
Don't let go  
Don't let go tonight

There's a fear that burns like trash inside  
And your shame the curse that burns your eyes  
You've been hiding in the bedroom  
Hoping this isn't how the story has to go  
It's not the way it goes  
It's your book now

You are golden  
You are golden, Child  
You are golden  
Don't let go  
Don't let go tonight

You're a lonely soul in a land of broken hearts  
Your far from home, is a perfect place to start

(Yeah!)  
La la la la la la  
La la la la la la  
La la la la la la

So this final verse is a contradiction  
And the more we learn the less we know

We've been talking' about a feeling  
We both know inside but couldn't find the words  
I couldn't write this verse  
I've seldom been so sure  
About anything before

Golden  
You are Golden, child

You are Golden  
(Don't let go)  
(Don't let go tonight)

This world is a dead man down (Golden, you are)  
Every breath is a singing crown we wear (Golden, Child, you are)  
Like some debilitated king (Golden, don't let go)  
(Don't let go tonight)

The Earth spins and your mind goes round (Golden, you are)  
The green comes on the frozen ground (Golden, Child, you are)  
And everything will be made new again (Golden)  
Like freedom and spring (Golden, Golden)

Hey, like freedom and spring (Golden, you are, hey)

Like freedom and spring (Golden, Child, you are)  
(Gold...)
