

Switchfoot, This Is Your Life

Yesterday is a wrinkle on your forehead
Yesterday is a promise that you've broken
Don't close your eyes, don't close your eyes
This is your life and today is all you've got now
Yeah, and today is all you'll ever have
Don't close your eyes
Don't close your eyes

This is your life, are you who you want to be
This is your life, are you who you want to be
This is your life, is it everything you dreamed it would be
When the world was younger and you had everything to lose

Yesterday is a kid in the corner
Yesterday is dead and over

This is your life, are you who you want to be
This is your life, are you who you want to be
This is your life, is it everything you dreamed it would be
When the world was younger and you had everything to lose

Don't close your eyes
Don't close your eyes
Don't close your eyes
Don't close your eyes
Don't close your eyes

This is your life are you who you want to be
This is your life are you who you want to be, yeah

This is your life, are you who you want to be, who you want to be yeah
This is your life, are you who you want to be (who you want to be)
This is your life, is it everything you dreamed it would be
When the world was younger and you had everything to lose

And you had everything to lose
