SWV, Here For You

(Chorus)
I'll always be here, for you
I promise you
I'll always stay
Nothing can take my love away
When ever you need a shoulder
I'll be forever true
There's nothing I won't do

(Verse)

Tell me what it is about your lovin'
That makes me do anything for you
I can't explain
But the fact remains, I'm feelin'...
Like whatever you do I'm never leaving you
I'll always

(Chorus)

(Verse)

There are no words to describe how I get excited But it's easy to see I'm crazy-into you, you (I never had a love like this so baby)
Make a promise that (you'll always stay with me)
I'll always

(Chorus)

(Bridge)

I believe that (if you're really feeling love) (When it's true love) (You can't let it get away) (So baby that's why I'll say)

Repeat Chorus Until Fade...
