

Syd Barret, Let's Split

Everything about,
about to go out,
me out, you out,
yes and everything is out
about, out...
out, out, out, out, out, out,
Let's split!
I'm telling you this is it!
Everything is down,
and hound, hound, hound
back down, down, down
even everything is down
abound and down,
down, down, down, down, down, down
Let's split!
Tellin' you this is it!
Nobody is right tonight,
night, height, right, tight,
it isn't right
Me out, you out
And everything is out
out, out, out, out, out, out
Let's split!
Hold it, can you?
That's all just.
