

Sylver, Easy Way Out

All i need
Is all I've got
All I need
Is everything you're not
Things are going great
and they'll only get better
a cruel twist of fate
has changed my life
a little more time
and get my life together
the only thing what's mine
worth fighting for
all i need
is all I've got
all i need
is everything you're not
there's no easy way out
no matter what you say
there's no easy way out
you can't just walk away
no matter where you go
i will always know
there's no easy way out
no easy way out
a place to go
beyond spacious skies
that i can call my own
happiness awaits
i cleanse myself again
wash away all your sins
cause then and only then
i will be free
all i need
is all I've got
all i need
is everything you're not
