

Sylver, Heal My Heart

Verse 1:

A suffering soul cannot be loved
an empty hand has lost its trust
for saken by luck
for saken by men
before our heart breaks
it has to bend

Chorus:

Heal my heart
make it charm again
let the wings of love take us home again
Heal my heart
make it whole again
bring my innermost fears to an end my friend
Heal my heart
make it charm again
let the wings of love take us home again
Heal my heart
make it whole again
bring my innermost fears to an end my friend
Heal my heart
make it charm again
let the wings of love take us home again
Heal my heart
make it whole again
bring my innermost fears to an end my friend

Verse 2:

A troubled mind will silently shout
upleading body theres nowhere out
for saken by luck
for saken by men
before our heart breaks
it has to bend

Chorus:

Heal my heart
make it charm again
let the wings of love take us home again
Heal my heart
make it whole again
bring my innermost fears to an end my friend
Heal my heart
make it charm again
let the wings of love take us home again
Heal my heart
make it whole again
bring my innermost fears to an end my friend
(Beats first then chorus)
Heal my heart
make it charm again
let the wings of love take us home again
Heal my heart
make it whole again
bring my innermost fears to an end my friend
