

Sylver, I Hate You Now

Sylver - I hate you now
Such a perfect day
I swept you from my heart
it's such a perfect day
I take a brand new start
You broke my heart and you crushed my soul
You put me close then you let me go
I hate you now
and it feels so good
I hate you now
never thought I would
hate you now
hate you now
I hate you now
gotta hate you now
I don't know who you are
you whole love was a lie
I don't know who you are
you kill me from inside
You broke my heart and you crushed my soul
You put me close then you let me go
I hate you now
and it feels so good
I hate you now
never thought I would
Hate you now
Hate you now
I hate you now
gotta hate you now
Tonight I'm gonna let you die
Coz everything you said was a fucking lie
I hate you now
and it feels so good
I hate you now
never thought I would
Hate you now
Hate you now
I hate you now
gotta hate you now
I hate you now...
