

Sylver, One of us

You've been away for far too long
How can you know what's going on
You're crazy
To think you can beat me
you've been away since god knows when
Now you come crawling back again
Foget it
Or you will regret it
There's only room for one of us
Too much of you is dangerous
Don't waste my time
Don't waste my time
You have crossed the line
Crossed the line
Don't like the look on your face
you act as if you own the place
But baby
There sure ain't no maybe
I think it's time you know the truth
This is my world , no place for you
Just beat it
Better believe it
