Symphony X, King Of Terrors

I awake - without the sun encased in walls of steel terror so real - it blinds me

Rancid darkness steals my breath The Pit - on the edge of death The wells of Hell know not my name

I slip away...into black I fade away

Terrified - to the left and to the right Spirits of the Damned, iron shadows cast Hear my desperate cries Shrieking demon - far and wide praying for this breath to be my last

Awake again - paralyzed I'm shackled to this alter sacrificed to their God

'Inch by Inch and Line by Line'
The Blade - descending lost in time
The fiends of Doom they call my name

I slip away... into black I fade away

Terrified - to the left and to the right Spirits of the Damned, iron shadows cast Hear my desperate cries Shrieking demon - far and wide praying for this breath to be my last

"The Inquisitorial vengeance had been hurried by my two-fold escape, and there was to be no more dallying with the King of Terrors..." (Edgar Allan Poe - The Pit and the Pendulum)

Terrified - to the left and to the right Spirits of the Damned, iron shadows cast Hear my desperate cries Shrieking demon - far and wide praying for this breath to be my last
