

Syreeta, With You Im Born Again

Come bring me your softness, comfort me through all this madness
Darling, don't you know, with you, I'm born again

Come give me your sweetness, Now there's you, there is no weakness
Lying safe within your arms, I'm born again

I was half, not whole, in step with none
Reaching through this world in need of one

Come show me your kindness, in your arms I know I'll find this
