

System Of A Down, On My Mind

put your roulette everywhere
Parachute your chakram soul
help em stong and do your best
I got pictures on my mind
circumvent your dinky-dong
one and thrice they're on the go
you can't tell me that Im well
I got pictures on my mind
I got pictures on my mind
I got pictures on my mind
I GOT PICTURES ON MY MIND
Fair ways for us
when the present can be sealed
away gold dust
fer the mighty conquered meal..
can't you look at my shaved ass
duece is god and got his lungs
You can see me saturday
I got pictures on my mind
I got pictures on my mind
I got pictures on my mind
I GOT PICTURES ON MY MIND
I GOT PICTURES ON MY MIND
