

System Of A Down, Patterns (Black Sabbath Cover)

Life is a story, go ahead and find your site.
Life is your glory, go ahead and live the night.
But to live means to beiger in the present now
to try for the gift your day to see the morning sunsun sun
Free can the night we live cause of omega saline
Life is a story, go ahead and find your site.
But to live means to beiger in the present now
to try for the gift your day to see the morning sunsun sun
See can the night we see cause of give us society.
Free can the night we live cause of omega saline
What is it that makes us lose side chose sides
of what is real and accentual law cake organized
over the chaotic organization of man enemy.
[See can the night we see cause of give us society.
Free can the night we live cause of omega saline (X2)]
