

# System Of A Down, Power Struggle

fish that don't drown  
Life in a bubble Jungle  
I wouldn't frown  
It showed another jungle  
Staying in the ground  
But I was in there for you  
Now leaving town  
Life in a bubble jungle  
Seeing you, believing the satiric, with the power struggle  
Believing, then dealing, appeasing the power struggle  
We're left with no arms right in the power struggle  
We're left with no arms right in the power struggle  
Wearing the crown  
Life in a bubble jungle  
Chasing a clown  
But showed another jungle  
Staying in the crown  
But I was waiting for you  
Now we have found  
Life in a bubble jungle  
Seeing you, believing the satiric, with the power struggle  
Believing, then dealing, appeasing the power struggle  
We're left with no arms right in the power struggle  
We're left with no arms right in the power struggle  
Left with arms In the power struggle  
Left with arms In the power struggle  
May I remind you  
May I remind you  
May I remind you  
...  
May I remind you  
May I remind you  
May I remind you  
(Bad men wouldn't fill us with lies)  
May I remind you  
May I remind you  
May I remind you  
May I remind you  
May I remind you  
May I remind you  
Life is but a big bubble  
(Bad men wouldn't fill us with lies)  
Seeing you, believing the satiric, with the power struggle  
Believing, then dealing, appeasing the power struggle  
We're left with no arms right in the power struggle  
We're left with no arms right in the power struggle  
Left with arms In the power struggle  
Left with arms right here In the power struggle
