Systematic, Thick Skin

Thick skin I'll break it to ya Bleed none and wallow in your... The bed they made for you! Pushed further to resistance It's hell when you still run to... The bed they made for you! Fight yourself Down till you're well. Thick skin I'm mangled uptight Unwind and never survive... The bed they made for you! Evolved into your monster Thick head - Thick skin... The bed they made for you! Fight yourself Down till you're well. The bed they made for you! You've become the lie It eats you up inside It's said and done Game over. Fight yourself Down till you're well.
