

# Szymon Lubicki, Youngblood

remember the words you told me  
love me to the day I die  
surrender my everything  
cos you made me believe you're mine  
yes, you used to call me baby  
takes one to know one  
you beat me at my own damn game

you push and you push and I'm pulling away  
pulling away from you  
I give and I give and I give and you take  
give and you take

Youngblood  
say you want me /2x  
out of your life  
and I'm just a dead man walking tonight  
but you need it  
you need it  
all of the time  
Youngblood  
say you want me /2x  
out of your life  
and I'm just a dead man walking tonight  
but you need it  
you need it  
all of the time  
yeah!

lately our conversations  
end like it's the last goodbye  
till one of us gets too drunk  
and calls about a hundred times  
so who you been calling baby?  
nobody could take my place  
when you looking at those strangers  
hop to God you see my face

Youngblood  
say you want me /2x  
out of your life  
and I'm just a dead man walking tonight  
but you need it  
you need it  
all of the time  
Youngblood  
say you want me /2x  
out of your life  
and I'm just a dead man walking tonight  
but you need it  
you need it  
all of the time  
yeah!

you push and you push and I'm pulling away  
pulling away from you  
I give and I give and I give and you take  
give and you take  
you running around and I'm running away  
running away from you  
from you

Youngblood  
say you want me /2x

out of your life  
and I'm just a

Youngblood  
but you need it  
you need it  
all of the time
