

t.A.T.u., All The Things She Said

All the things she said, all the things she said
Running through my head, running through my head
Running through my head

All the things she said, all the things she said
Running through my head, running through my head
All the things she said, this is not enough

I'm in serious shit, I feel totally lost
If I'm asking for help, it's only because
Being with you has opened my eyes
Could I ever believe such a perfect surprise

I keep asking myself, wondering how
I keep closing my eyes, but I can't block you out
Wanna fly to a place where it's just you and me
Nobody else, so we can be free
Nobody else, so we can be free

All the things she said, all the things she said
Running through my head, running through my head
Running through my head

All the things she said, all the things she said
Running through my head, running through my head
All the things she said, this is not enough
("Ya soshla s uma-ma")
This is not enough

All the things she said, all the things she said
All the things she said, all the things she said
All the things she said, all the things she said
All the things she said

And I'm all mixed up, feeling cornered and rushed
They say it's my fault, but I want her so much
Wanna fly her away, where the sun and rain
Come in over my face, wash away all the shame

When they stop and stare - don't worry me
'Cause I'm feeling for her what she's feeling for me
I can try to pretend, I can try to forget
But it's driving me mad, going out of my head

All the things she said, all the things she said
Running through my head, running through my head
Running through my head

All the things she said, all the things she said
Running through my head, running through my head
All the things she said, this is not enough
("Ya soshla s uma-ma")
This is not enough

All the things she said, all the things she said
All the things she said, all the things she said
All the things she said, all the things she said
All the things she said, all the things she said
Things she said, all the things she said
All the things she said

Mother, looking at me
Tell me, what do you see
Yes, I've lost my mind

Daddy, looking at me
Will I ever be free
Have I crossed the line

All the things she said, all the things she said
Running through my head, running through my head
Running through my head

All the things she said, all the things she said
Running through my head, running through my head
All the things she said, this is not enough
("Ya soshla s uma-ma")
This is not enough

All the things she said, all the things she said
All the things she said, all the things she said
All the things she said, all the things she said
