

T-Bone Walker, Bye Bye Baby

You know I love you, can't stand the way you do
You know I love you, can't stand the way you do
Well, you tellin' me it's true now, an that's alright
for you
Bye-bye, baby baby, bye-bye
Bye-bye, baby baby, bye-bye
Bye-bye, baby baby, don't cry
Sometimes I wonder, why don't you write to me?
Sometimes I wonder, why don't you write to me?
If I've been a bad fellow, I didn't intend to be
Baby baby, come back home to me
Baby baby, come back home to me
You know I love ya baby, my old time & used to be;
