

T.I., Feeling You

aye

let me ask you something

aye,aye

i see you over there man

you dancing like that for me?

(chorus)

You know your the only one im feeling

All the time i got to be with you

You know im feeling you

Whatever you wanna do

I dont want my girl friend feeling

I dont care im gonna stay with you

Boy you know im feeling you

Its whatever you wanna do

(T.I.)

You can have it baby cash on deck

Dont guess you understand i demand my respect

The man i respect dont believe go check

Told a hundred g's i dont need no check

I ride in ferrari's i dont need no vette

Abuse the fuel, im over sea's in the jet

Know how to use the tools so i dont need a vest

You aint had no sex, you aint brought no sweat baby

Just remember that your fucking with the best baby

Keep the sugar in the bowl,and i can do the rest baby

nevermind the baby momma's and the ex ladys

Anytime u wanna holla shawty just say it

(chorus)

You know your the only one im feeling

All the time i got to be with you

You know im feeling you

Whatever you wanna do

I dont want my girl friend feeling

I dont care im gonna stay with you

Boy you know im feeling you

Its whatever you wanna do

(T.I.)

my little nigga pre i be's out there

You looking for a dime baby he's right here

Apparent to all the other cats to me its not fair

I know i look good but you need to not stare

You gotta come and hit me up when he's not there

I smack that thing, come and pull that hair

Give it to u till u say it feel good right there

Ride with you through and learn thats my hood right there

Yeah you dealing with a real ball player

And im dealing with a good girl like an all square

Playing hard to get gon with all that there

You aint ready come a ?????? next year(ray)

(chorus)

You know your the only one im feeling

All the time i got to be with you

You know im feeling you

Whatever you wanna do

I dont want my girl friend feeling

I dont care im gonna stay with you

Boy you know im feeling you

Its whatever you wanna do

(T.I.)

I got a pocket full of dough

Big to the floor

All the ladies if you really with it let me know

Say you, you know im feeling you

Whatever you wanna do

I already bought the bar, drinks on me
We can hit the mall tomorrow, baby minks on me
Say you, boy you know im feeling you
its whatever you wanna do
I got a pocket full of dough
Big to the floor
all the ladies if you really with it let me know
Say you, you know im feeling you
whatever you wanna do
I already bought the bar, drinks on me
We can hit the mall tomorrow, baby minks on me
Say you, boy you know im feeling you
Its whatever you wanna do
(chorus)
You know your the only one im feeling
All the time i got to be with you
You know im feeling you
Whatever you wanna do
I dont want my girl friend feeling
I dont care im gonna stay with you
Boy you know im feeling you
Its whatever you wanna do
