## T.Love, Acid mover

I can't listen to all your lies I can't find myself in your disguise I can't talk to you by telephone I don't want to see you in my home Babe i think it's time To change your mind, babe It's just enough i'd like to give it up It brings me down it's just too hard my love You'd like to rule You'd like to by my Jesus It's not for me It's not for me my little one Babe i think it's time To change your mind, babe I know you you thought you've got me now I know you want to by my detiny I'm sorry honey but you are wrong 'Cause T'm a mover and I gotta go Babe i think it's time To change your mind, babe
