

T.Love, Black & Blue

One and two
Too, too

Black id black
Cool is blue
Violet is cute
And the pink too
Seks is red
And green is free
Your love so empty
You know what I mean

One and two
Too, too

I've got my home
And I've got my wife
I've got my siutcase
And I;ve got my phone
I've got my devils
I've got my band
I've got my gods
This is the end

One and two
Too, too

Listen to me
Black and blue
Listen to me
Listen to you

Black is black
Cool is blue
Violet is cute
And pink too
Red is green
Ant the green is free
Your love so empty
You know what I mean

One and two
Too, too

Listen to me
Black and blue
Listen to me
Listen to you
