*aishiteru kara wagamama ni natteru ganjigame ni shibaritai Your Heart
kimi o doko ni mo tojikomechirarenai kyou mo katte ni koi wa mawatteru
Because I love you, I'm growing selfish. I want to tie your heart down.
I can't let you be locked up anywhere, but today, my passion is moving on its own.

aitai yo kimi ni ima sugu shigoto no tsugou shichirau kedo
kimi no jiyuu mitomeru tabi ni boku wa jijii ni natteku ki ga suru
I'm dying to see you right away, even though I know you're tied up at work.
Whenever I act overprotective of you, it seems like I'm turning into an old fart.

mainichi maiban denwa mo nandashi kyori o tsukuru keredo
hitorikiri hodo iki mo tsukanu koigokoro yoru ni tsubusarete

What the hell does talking on the phone every day and night do anyway? It only drives us further apart.
But when I'm alone, my dying passion for you is beaten in the night

*aishiteru kara wagamama ni natteru ganjigame ni shibaritai Your Heart
kimi o doko ni mo tojikomechirarenai kyou mo katte ni koi wa mawatteru
Because I love you, I'm growing selfish. I want to tie your heart down.
I can't let you be locked up anywhere, but today, my passion is moving on its own

"anata nara wakatekureru" sono hitogoto ni angai yowakute
hooru de nomi mo tsukiai goukon mo ikitakya betsu ni ikebain janai?

I'm unusually weak to the words "I knew you'd understand";

If you really wanna have a drink with some other guys, go ahead! Why should I care?

chachi a shitto ga mata iochi tori dasaku miraresou de

tsutta sakana ni esa o ataetsuzuketeru mikaeri no oosa ni

My hateful jealousy eats away my life, so much I'm beginning to look stupid.

I just keep going for other women as if that is my sentence.

*aishiteru kara wagamama ni natteru yosomi shinaide uketomete My Heart
kimi wa dareka no mono nanka janai no ni suki ni naru hodo ririshikute hontou
Because I love you, I'm growing selfish. Don't ignore me; accept my heart!

I know you're not anyone's "possession", but you're so wonderful I fell in love with you; I
rikai aru you ni hikutsu ni waratteru yasashii otoko anta dare ittai?

aishiteru kara wagamama iwasete yo ganjigame ni shibaritai Your Heart

boku no mono da to ienai no wa genjitsu onna no tame ni koi wa mawatteru

There's a nice-looking guy with you, laughing mockingly at me as if he knows. Who the hell is he?!

I love you, so let me be selfish! I want to tie your heart down.

I know I can't tell you that you belong to me, because love is on a woman's side.
