

T.M.Revolution, Fragile

hada ni kizamu toiki made
yureru shiruetto derikashii
nusumareta hitomi no oku
kimi wa "nani"; o utsusu no?
Until the sighs that carve into skin
Shaking Silhouette Delicacy
"What" is captured inside of
Eyes stolen away from you?
furete mitai no nara
subete ubaisareba ii
'Cause I need to know
Touch if you want to see
It's better if everything's taken from you
'Cause I need to know
furueru karada daite
kodou ga ima kikoeru
mayonaka no taiyou ni nure
boku wa iki o hisometa
Embrace the trembling body
The throbbing is now audible
Drenched in the midnight sun
I lowered my breathing
furete kowareru hodo
ai ga kimi o kaeteyuku
'Cause I need to hold
Touch until it's broken down
Love is changing you
'Cause I need to hold
furete shimaeru nara
subete ushinatte mo ii
Touch if you can finish
It's okay if everything's lost
furete kowareru kara
ai wa boku o kaeteyuku
Touch because it's breaking down
Love it's changing me
subete...
Everything...
ai ga...
Love is...
