

# T-Pain, Ask For It

(feat. Nivea)

[Nivea:]

La la la la la la la la ooh

[T-Pain:]

It's been two months and twenty days the last time I laid my eyes on you  
(And I'm sick and tired)of not being around you  
(And I'm sick and tired)of not seeing your face  
and baby I kknow that it's killin you too  
I can hear it in your voice when I'm talkin to you  
(On the phone late at night) My conclusion is  
(Being alone ain't right) I'm so confused babe  
Cuase some nights I cry thinkin about you babe, can't do without you babe  
Please believe me  
Thatl got this thang covered, you ain't never gotta worry bout nothing  
So baby please tell me

[Chorus:]

If there's anything you want  
Anything you need  
There ain't nothing in this world you cannot have  
All you gotta do is ask for it  
All you gotta do is ask for it [x2]

[Nivea:]

Many nights I cried thinkin about you boy  
I been dreamin about you boy  
Now we're separated boy  
It's one thing to say but you gotta show you love me  
Cause it's fifteen minutes after three and I'm still waiting to see  
I-I-I I'm so tired of it boy  
I-I-I done everything I could for sure  
It's so long and I'm so gone and I know you niss me  
I'll be out the door,aint coming back no more  
No I don't wanna speak to you... you, you, you  
I did anything for you babe, everything for you babe  
Used to say that I had you sprung  
Used to treat me like number one  
I guess I'll give you another chance  
You better not pull that shit again

[Chorus:]

If there's anything you want  
Anything you need  
There ain't nothing in this world you cannot have  
All you gotta do is ask for it  
All you gotta do is ask for it [x4]

[music playing]
