

# T-Pain, Backseat Action

(feat. Shawwna)

[Intro:]

(Oh, oh)

I'm bout to pull over, and give you the business holla at me

(Ooooh)

Can I get a witness?

Now here we go

Mmmm-mmm-mmm

Now here we go

Mmmm-mmm-mmm

[Verse 1: T-Pain]

Baby, I've been waitin for you to come home

Cuz I done cleared off the backseat, cleaned the top and out some new 24s on the ??

Latley I've been waitin to try somethin new

Cuz we done did every last one of your fantasies

But we aint did nothin I wanna do

Cuz we done did in in the elevator (been there done that)

Now it's time to do it my way (I know you want that)

And pullin your hair, won't even compare to what I'm about to do to you on this highway

[Chorus: T-Pain]

I'm talkin bout that backseat action (oh)

Out in the middle of the traffic (oh)

I'm bout to pull over, and give you the business

Holla at me, (oooh) can I get a witness?

Now here we go

[Hook: Shawwna (T-Pain)]

Here we go, back and forth, (mmmm) break it down, or take it slow (mmmm)

Take control, make it roll, (mmmm) break it down, now here we go (here we go)

Here we go, back and forth, (mmmm) break it down, or take it slow (mmmm)

Take control, make it roll, (mmmm) break it down, now here we go

[Verse 2: T-Pain]

Shawty, you can call me whenever you need

Workin in the Excursion, kissin in the Expedition like yes indeed

Baby, it's all gravy; it's all good

Cuz we gon' need to open up the backdoor and let your legs out

Or I'm-a put you right on the hood

I've been down like an elevator (been there done that)

I know you like to do it my way (I know you want that)

And pullin your hair, won't even compare to what I'm about to do to you on this highway

[Chorus: T-Pain]

I'm talkin bout that backseat action (oh)

Out in the middle of the traffic (oh)

I'm bout to pull over, and give you the business

Holla at me, (oooh) can I get a witness?

Now here we go

[Hook: Shawwna (T-Pain)]

Here we go, back and forth, (mmmm) break it down, or take it slow (mmmm)

Take control, make it roll, (mmmm) break it down, now here we go (here we go)

Here we go, back and forth, (mmmm) break it down, or take it slow (mmmm)

Take control, make it roll, (mmmm) break it down, now here we go

[Verse 3: Shawwna]

Face down, ass up, that's the way I like it rough

Cloud it up, back it up, driver's seat to the passenger

Back to the back, all in the act

Smack, smack, smack, smack

Shawwna like that that ??

Hands on the window, foot on the wheel  
Face in the seat, wait for the beat  
Rockin and rockin makin in squeek  
Stop, stop, stop, stop  
What you gon' do? Somebody might see  
So make it fast, take it slow  
Break it down and make it roll  
Take control, make it swoll  
Now one more time, here we go

[Chorus: T-Pain]  
I'm talkin bout that backseat action (oh)  
Out in the middle of the traffic (oh)  
I'm bout to pull over, and give you the business  
Holla at me, (oooh) can I get a witness?  
Now here we go
