

T-Pain, Change

("Intro, Diddy")

I'll do anything for you
For you I'll change the world
No more wars
No more poverty
No more hurt
No more pain
You showed me how to love again
For you I'll change the world
Pain Sing

("Chorus")

If I could change the world
Ooh I would be the sunlight your universe
Ooh you would think my love was really something good baby (If I could)
Change (If I could)

For the line to be erased at the border,
This day (This day)

There'd be no new world order
And nobody would of never got slaughtered,
That way (That way)
There'd be so much more love and unity
Daughters would be close to they mothers
Sons would be raised by their fathers today (Day)
A good family ain't nothing greater
Race crimes, hate crimes would never exist
I'll turn everyone into a Hershey's Kiss (Kiss)
And we can eat away our fears (Fears)
Ooh

Nothing would hold us down (No)

Because we'll all walk around with a smile and never a frown

And that will remove those clouds

They'll be no more self-loathing

Everyone will know in their hearts that they're just fine (Just fine)

That's when the light's gonna shine

Everyone will understand and in order to have some peace,

You must believe

Believe the best in you
