I'm cookin for her when she gets hungry

All she do is actin like she want me

She cuttin off all my homies

See I been thinking 'bout it lately

Man she really don't deserve me

All she wanna do is hurt me

So I gotta get away from her...

[verse 2]

So we went our separate ways...
It's been a couple of days...
But now I'm doin what I want to
With nobody tellin me what I'm gonna do
And I'm feeling so free...
With nobody but me...
Now I can handle all my business
All my fellas can I get a witness
But I'm feelin kinda lonely
On top of that I'm kinda horny
And I gotta get back to her...
Now I'm leavin quickly...
Before she come and try to get me...
And I'm takin everythang with me...
Well it all come down to her...

[chorus x2]
