T-Pain, Right Hand

Okay
Wooooooo
Yeah, Yeah
Woooo
Yeah, Yeah

[Verse One]
Baby (Sit Down)
I Got Something That I Need To Say (Right Now)
Before The Rumors Spread And Make Their Way (Around Town)
I Thought I'd Be Your Man And Tell You First
But I Know It's GoT To Hurt
Baby Please Let Me Explain (Let Me Explain)
It Happened All o' Sudden Outta Control (Oooohh)
She Had My Heart And Would Not Let It Go (Ooohh)
I'm Not Tryin' To Say That It Was Ok
But That I Didn't Do It

[Chorus]
But I Gotta Tell The Truth
With My Right Hand Up (Cuz I Don't Wanna Lose You)
It's Time To Man Up (I'm Gonna Be The One To Tell You)
Baby Believe Me When I Say
You Don't Wanna Find Out The Hard Way

[Verse Two]
Baby (If I)
Would've Never Seen Her Walkin' Down Tha Block
I'd Probably Would Have Not
Pulled Over And Asked Her If She Need (A Ride)
But I Noticed She Had Make-Up On Her Eye
And She Started To Cry Said Baby He's To Blame
She Said A Man Put His Hands On Her
He Was Outta Control
And She Really Needs Someone To Hold And Not Let Go
And Then She Looked Into My Eyes Just Like You Do
Then I Imagined She Was You

[Chorus]
Now I Gotta Tell The Truth
With My Right Hand Up (Cuz I Don't Wanna Lose You)
It's Time To Man Up (I'm Gonna Be The One To Tell You)
Baby Believe Me When I Say
You Don't Wanna Find Out The Hard Way

[Verse Three]
Baby Now I Wish That I Was A Magician
And I Could Make All Of This Disappear
And Baby I Wish That I Could Go Back In Time
And Trust Me Baby, We Wouldn't Be Here
But You've Been So Good To Me
How Could I Do This To You?
And I Never Meant To Hurt You
How Can I Prove It To Tou?
I'm Just Tryin' To See What's Been On My Mind
Cuz In Her You

[Chorus]
I Gotta Tell The Truth
With My Right Hand Up (Cuz I Don't Wanna Lose You)
It's Time To Man Up (I'm Gonna Be The One To Tell You)
Baby Believe Me When I Say
You Don't Wanna Find Out The Hard Way
