

# T. Rex, Chateau In Virginia Waters

Broken English words cracked the air like a bell  
She had a chateau in Virginia Waters  
Free from all those culture vultures  
Her silver car a silver cloud cloaked the air in a shroud  
Her pearly author's teeth tore the seasoned cedar coloured pheasant

Her one rich wish is to write a book about  
A venetian mother's problems on a barge in little Venice

She peers at the portrait of her poetess grandmother  
Who's theatrical in character  
Wise just like Socrates  
She sinks her nails into the aged canvas  
But the power from the wordster's head was cool and shrill and frightening

Miss Drag is intermingled with the powder-blue chaise lounge  
She types some acid words to her hairless havana art dealer

Her one rich wish is to write a book about a chateau in Virginia Waters  
Free from all those culture vultures
