

# T. Rex, Drive Me Crazy (Disco Lady)

Do the Bomp, let's stomp  
I'm a Disco Lady, who's gonna play me?  
I'd just like to tell ya  
I hope you'll get some pleasure  
I'll dance past midnight  
So don't get uptight  
If I bump real dirty  
We're gonna party  
'Til one-thirty  
I'm a Disco Lady  
I'm a Disco Lady  
I'll drive you crazy  
I'm a foxy baby  
Get down, get down

I'll try to do the hoe-down  
I can jive now, I can get it on  
Even do the locomotion  
I'll even swim in the ocean  
I'm a Disco Lady  
Who's gonna play me  
I just like excitement  
I hope you get a partner

I'm a Disco Lady  
I'm a Disco Lady  
I'll drive you crazy  
I'm a foxy baby  
Get down, get down

Do the Bomp, let's stomp  
Disco baby  
Disco Lady  
She'll drive you crazy  
She's a foxy baby  
Get down, get down

Do the Bomp, let's stomp  
I'm a Disco Lady, who's gonna play me?  
I'd just like to tell ya  
I hope you'll get some pleasure  
I'll dance past midnight  
So don't get uptight  
If I bump real dirty  
We're gonna party  
'Til one-thirty

I'm a Disco Lady  
I'm a Disco Lady  
I'll drive you crazy  
I'm a foxy baby  
Get down, get down

Do the Bomp, let's stomp...
