

T. Rex, Drive Me Crazy (Disco Lady)

Do the Bomp, let's stomp
I'm a Disco Lady, who's gonna play me?
I'd just like to tell ya
I hope you'll get some pleasure
I'll dance past midnight
So don't get uptight
If I bump real dirty
We're gonna party
'Til one-thirty
I'm a Disco Lady
I'm a Disco Lady
I'll drive you crazy
I'm a foxy baby
Get down, get down

I'll try to do the hoe-down
I can jive now, I can get it on
Even do the locomotion
I'll even swim in the ocean
I'm a Disco Lady
Who's gonna play me
I just like excitement
I hope you get a partner

I'm a Disco Lady
I'm a Disco Lady
I'll drive you crazy
I'm a foxy baby
Get down, get down

Do the Bomp, let's stomp
Disco baby
Disco Lady
She'll drive you crazy
She's a foxy baby
Get down, get down

Do the Bomp, let's stomp
I'm a Disco Lady, who's gonna play me?
I'd just like to tell ya
I hope you'll get some pleasure
I'll dance past midnight
So don't get uptight
If I bump real dirty
We're gonna party
'Til one-thirty

I'm a Disco Lady
I'm a Disco Lady
I'll drive you crazy
I'm a foxy baby
Get down, get down

Do the Bomp, let's stomp...
