

# T. Rex, Love Drunk

In my room, alone at night  
How can I conceal my sorrow  
Shattered dreams in micro-heated beams means love...  
I'm a love drunk  
Frozen days, the old extended plays  
Of Elvis Presley and that funky old Hound Dog  
Faded pics and misty twisted kicks spell "love";  
I'm a love drunk

Drunk on love, so drunk  
I'm a love drunk

Drunk on love, so drunk  
I'm a love drunk
