

T. Rex, Misfit

Surplus store misfit
I don't wanna quit
too many times I chickened
and just split.

Bill the little misfit
I don't wanna see
pop out picyures
of you and maybe me.

Baby why don't you
scream and split
I cant break away
I just seen the light.

Wimpy bar misfit
I don't wanna be
like Billy the kid
left hangin' from no tree.

Strung along misfit
I don't wanna see
people put you down
and all I wanna be is free.

Water bed misfit
I don't wanna be
used and ridden and hidden
most mysteriously.

Scary little misfit
I don't wanna see
every scene tha's been
and every scene that's liable to be.

Why don't you
just scream and split
cos I can' break away
I just seen the light.
