

# T. Rex, Rabbit Fighter

Shady politician in my bed  
Tying bolts of lightning to his head  
Call me Rabbit Fighter you know its true  
'Cos babe I'll Rabbit fight all over you

Tramp king of the city he's my friend  
Moondog's just a prophet to the end  
Call me Rabbit Fighter you know its true  
'Cos babe I'll Rabbit fight all over you

I saw a dude unscrewed and badly burned  
Laughing 'Cos he'd gotten what he'd earned  
Call me Rabbit Fighter you know its true  
'Cos babe I'll Rabbit fight all over you

Call me Rabbit Fighter Jo Jo don't you know
